

Membership Details

Eligibility. Membership in the GKCDTC is open to persons interested in the world of dogs.

Prospective members must be at least 18 years or older and be in good standing with the AKC. Junior members between the ages of nine and 18 are also welcome as long as they are sponsored by an existing club member.

Meetings. Meetings are held the first Thursday of every month except January and July at our training facility in Raytown at 7 p.m. Prospective members are encouraged to attend a meeting, bring their family (including well-behaved canine members) and apply for membership. Prospective members will be required to attend meetings for first and second readings before being voted into the club by the members present.

Benefits. Whether your interest is in therapy work, tracking, agility or competitive obedience or some of the lesser known dog sports (lure coursing, earth-dog trials, carting or water-dog competitions) or in just having a well-behaved pet, you will find someone at GKCDTC who shares your enthusiasm. Members also receive a cost reduction on classes and seminars.
